Dear

I understand that several weeks ago you requested a copy of the article by David S. Sullivan, "The Legacy of SALT I: Soviet Deception and U.S. Retreat" scheduled for publication in the Winter 1979 issue of Strategic Review. At the time of your request, the article was still in editorial processing.

I am enclosing herewith corrected page proofs of the article, which has been sent out in the context of a pre-publication release. The Winter issue of Strategic Review itself is scheduled to appear on January 15.

Sincerely yours,

Walter F. Hahn
Editor-in-Chief
